the Japanese fables, and a white ser-
pent appears in their pictures of Ben-
ten, the goddess of fortune. Among

were dedicated to the gods and are
still attached to the larger temples of

Local Boys at TuftsThe Tufts College Glee and Mandolin
clubs returned April 26 from a 10 day
western trip. The route taken was
through Springfield, Mass., Schene-
ctady, N. Y., Buffalo, N. Y., Detroit,
Mich., Fort Plain, N. Y., New York
City, Passaic, N. J., and Bridgeport.
Conn. Orleans county is represented
on the clubs by Clinton L. Scott of
Newport, who is the reader, and
Henry B. Priest of Irasburg, who is a
second tenor on the Glee club. The
clubs are considered the best of their
kind in the country and their work in
the forty concerts which they have
given the past winter and spring has
been universally praised. The work
of Mr. Scott as a reader has been
especially enthusiastically received.The Tufts base ball team also made
a successful trip during the spring
vacation, winning five of the six
games played. Henry A. Stafford of
Orleans is playing second base and
Bernard J. Lee of Irasburg is at short
stop. Both are starting; Stafford is
at the head of the batting list and in
four successive games got a single, a
double, a triple, and a home run, in
each case hitting the first ball
pitched. Lee distinguished himself
by getting two home runs in the
second game against Fordham.At the inter-class track meet held
April 26 Raymond Sherburne, formerly
of Orleans won two firsts; one in the
discus and one in the hammer throw.
In the latter case he broke the college
record.**A HANDICAP IN GOLF.**It Was a Rather Mean Advantage, but
It Won the Game.An unusual golf handicap was played
on one of the local links recently,
the proponent of the same winning hands
down. One of the rules of golf is that
one must not talk to a player when he
is about to make a drive, nor must others
discuss any subject in his hearing.
It might take his mind off the game for
just an instant, and that might prove
fatal.In Kansas City lives a crack but ex-
tremely nervous golf enthusiast. He
had been in the habit of beating a fat
and phlegmatic friend until the latter
tired of it."I'll tell you what I'll do," the friend
said not long ago. "I will play you
eighteen holes if you will give me a
handicap."

"Done," said the nervous player.

"Name the handicap."

"Three times during the game, and
not more than three, I am to be per-
mitted to stand behind you and say
'Boo!' while you are preparing to
drive."Every time it was the nervous man's
play his fat friend walked up and just
stood behind him. Never once during
the game did the fat man say "Boo!"
or anything else. But the anticipation
at the expected "Boo!" was fairly
nerve shattering, and the fat man won
hands down.—Kansas City Journal.**Have You Got That New
